COMPLIANCE UPDATES

Compliance Program

Banner – University Health Plans is committed to compliance and meeting requirements of all applicable laws and regulations of CMS and AHCCCS.

A key component of our commitment to meeting our obligations under these governmental programs and contractual relationships includes adopting standards that uphold these principles, which is the basis for this Compliance Program. The Compliance Program is described in several documents including the Code of Conduct, policies, and procedures, as well as the Fraud, Waste, and Abuse Plan.

Please review our Compliance Program and Fraud, Waste and Abuse Plan (January 1st through December 31st), which includes the B – UHP code of conduct. As part of our compliance program, please review the FDR Guide to help ensure your compliance with CMS, AHCCCS, and B – UHP requirements

Health Plan Training Now Available

B – UHP General Compliance and FWA training is now available on our website. FDRs can take our training or a comparable training. FDRs are required to complete an attestation and submit it to B – UHP indicating that the employees involved in the administration of Medicare Part C and D benefits have satisfied the training requirement.

For FDRs (Subcontractors) under the Medicaid line of business, the following are required training elements:

- a. Detailed information about the Federal False Claims Act,
- b. The administrative remedies for false claims and statements,
- c. Any State laws relating to civil or criminal liability or penalties for false claims and statements, and
- d. The whistleblower protections under such laws.

Documentation of internal training can be through an individual certificate or a list showing the information for all of those who completed it through the internal web-based training.
