Checkpoint on Continuous Glucose Monitoring for AHCCCS

In line with AHCCCS requirements, claims for Continuous Glucose Monitoring (CGM) and other related services received on or after Apr. 20, 2023, with dates of service Oct. 1, 2022, or after, must be billed with the appropriately related National Drug Code (NDC). Failure to bill with the NDC may result in the denial of your claim.

The codes associated with this are A4235, A4238, A4244 - A4247, A4250, A4253, A4255 - A4256, A4258 - A4259, A9275 - A9278, A9500 - A9589, A9600 - A9699, E0607, E2100, E2102, K0553 - K0554.

N4 (Standard Service Set Data) RF724 RF-STD-SVC Record:
